***Can they find you when you call?
Be sure – be SAFE!***

***Install your 911 address sign
and keep it visible.***

Your 911 address sign should be placed at the front of your property where your lot line meets the road right-of-way.

Properly placed signs can be read from either direction and are reflective for added visibility.

Always call 811 to notify utility companies before digging or driving posts in the ground.

***911 address signs are available for
rural Muscatine County addresses at:***
