Environmental Administrator**

Re: Covid 19 Procedures for County Operations

At the direction of the Muscatine County Board of Supervisors, effective 4:30 p.m. on 03/19/2020, all Muscatine County Buildings will be closed to the public. Staff will be working to continue essential services, but how those services are carried out is likely to change. More information will coming and will be posted on the Muscatine County Zoning Office website at:

<https://www.co.muscatine.ia.us/249/Zoning>

We will be answering the phones and emails and conducting field inspections as needed. Please send email correspondence to zoning@co.muscatine.ia.us from this point forward. This email is received by all staff and will increase the chance of a timely response, as staffing levels in the office will fluctuate.

In person office visits will be at the discretion of myself and by appointment only.

Thank you for understanding and again, please monitor the Zoning Office website for additional and changing information.

Sincerely,

Eric Furnas
Planning, Zoning & Environmental Administrator
